Description

Located in one of the most prestigious international projects this luxurious mansion has spectacular ocean and mountain views from every room.

A true Mansion, this home sits high and central in its extensive formal grounds and each area of this home offers breezes throughout the day and night.

Both the formal dining room and the stylish drawing room offer expansive sea views from the large windows

The home offers a wonderful 2 bedrooms on the first floor with a living room and kitchen dividing each bedroom.

All bedrooms have walk-in dressing rooms and en-suite facilities and lead out onto their own terraces

The two guest rooms offer views onto the gardens and a waterfall shower to rinse down, when coming from the pool.

Upstairs there are two large master suites with large private terraces.

Leading from one of the master bedrooms is an interior circular turret staircase leading to a impressive office and doors to a wonderful roof top terrace.

With a three hundred and sixty degree view of the mountains and the sea, this is a spectacular place to enjoy privacy and cooling breezes from the seating area of the gazebo.

From the first floor raised terrace the view is breathtaking with long views over the freeform pool, the formal grounds and out across the sea

The special thing about this home, is that it has stunning kerb appeal with its grand design, but that it is built as a home that will allow space and privacy for all who live or visit
